INPATIENT DELIVERY WITH PRIVATE HEALTH INSURANCE

Valid from 01/05/2024 to 31/12/2024, all prices include Austrian VAT.

COSTS

Usually, **private Austrian health insurance** covers the cost of childbirth. Rudolfinerhaus will bill the private insurance directly. To be sure, contact your insurance company for detailed coverage beforehand.

If you are insured with an **international private health insurance**, please provide a written Guarantee of Payment issued by your insurance company. We will then bill your insurance directly. Be advised that you have to present the guarantee of payment at admission.

FAMILY ROOM, PRIVATE OR SEMI-PRIVATE ROOM

According to your insurance coverage, family rooms and private or semi-private rooms are available. Depending on availability, we try our best to offer you the best possible option. If you wish, we can also admit an accompanying person and/or siblings including all meals for an additional charge. We will be happy to explain all details personally and kindly ask you to contact our obstetrics team.
